THE STERLING UTILITY LIGHT

- IT'S NEW
- IT'S HANDY
- IT'S PRACTICAL

A-4

OVER THE RANGE!

UNDER KITCHEN CABINET!

OVER THE MEDICINE CABINET!

STERLING INDUSTRIES INC.

PHILADELPHIA 34, PA.

Use it under Kitchen Cabinets . . . over medicine chests, gas or electric ranges . . . or in so many, many other places—you will find "Utility Light" just right.

Attractively finished in gleaming baked white enamel with polished chrome trim . . . Utility Light's streamlined design blends nicely with any decorating scheme. And the ribbed plastic shield gives an abundance of glare-free light. Available for 1-15 watt or 1-20 watt lamp complete with on-off switch and convenience outlet.

U Series for pin-up complete with heavy duty Underwriters' Approved cord and plug.

UL Series provided with knockout in back for permanent installation—Approved by Underwriters' Laboratories.

Individually packed in reshippable boxes—6 to master carton. An attractive counter display is packed with each master carton.
